“ I started seeing my midwife when I was pregnant for prenatal and birth care. Now that my son is born, she provides my annual exams and birth control prescription. She’s been with me every step of the way. ”

—Laurie L.

“She never made me feel like a “patient” who needed to be rescued. She never made me feel like I had to do what she told me. She let me birth at my own pace and in my own way.”

—Bridget J.
