

Addendum to the Final Program

Meetings & Events

WK 08 Suture Building Refresher: For New Grads, and Midwives Returning to Active Practice has been approved for 0.7 CEUs and 1 pharma credit.

The **ACME Evaluation of Midwifery Programs & Updates (Orientation) Workshop** on Wednesday, May 14 will now be held in the Century room in the Tower Building, Mezzanine level

Join us for **remembering those midwives who have gone before** at the Opening Business Meeting, Thursday, May 15. There will be no “in memoriam” ceremony at the Opening General Session.

There will be a **Bridge Club Meeting** on Thursday, May 15, 3:30–5:00PM in the Tower Building, Tower Court D, Level 2.

Interested the future of a united US midwifery? Don't miss the **Open Forum on US Midwifery Education, Regulation, and Association (US MERA)** on Thursday, May 15, 2:30-3:30PM in the Plaza Building, Plaza Ballroom, Concourse. Bring your questions and your opinions— we want to hear from you!

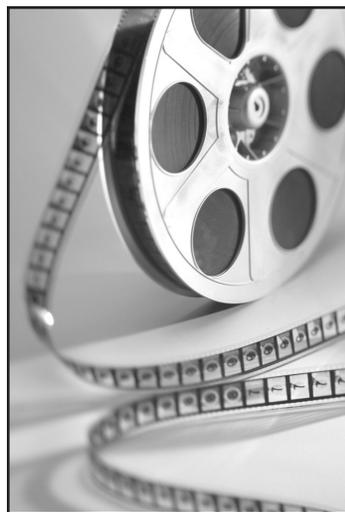

The A.C.N.M. Foundation Legacy awards will be given out at the Student Lunch with ACNM Board and Staff on Thursday, May 15. **All other A.C.N.M. Foundation awards**, including scholarships, will now be presented during the Awards Dinner on Friday, May 16.

Melissa Saftner, CNM, PhD, will now present ES 212 Development and Testing of a Capstone OSCE to Evaluate Safe, Beginning Midwifery Practice Competence.

We regret that we misidentified new Fellow of the American College of Nurse-Midwives Julia Lange Kessler as a CNM in the printed Final Program. **Dr. Lange Kessler is a certified midwife.**

We regret that we misidentified Letitia Sullivan, CNM as Patricia Sullivan in the 2013 Annual Report. **Letitia Sullivan is Chair of the Program Committee.**

NEED HELP?
Your ACNM Board members are looking forward to making this meeting the best it can possibly be! Look for Board and Program Committee members, as well as ACNM staff, easily identified by large “NEED HELP?” buttons. We are here to serve!

Movie Night

Join us for a relaxing, poignant end to this year's meeting at movie night on Saturday, May 17 in the Tower Building, Grand Ballroom 1, Level 2. We'll be **screening *A Walk to Beautiful***, a powerful story of healing and hope for women in Ethiopia devastated by childbirth injuries.

Annual Meeting Sponsors

We would like to acknowledge new sponsor **The Gaylord National Resort and Convention Center**, the site of next year's 2015 ACNM 60th Annual Meeting & Exhibition, for the generous donation toward the beverage service following the Closing Business Meeting on Saturday, May 17.

The beverage service provided prior to Wednesday's Opening General Session will be generously sponsored by **Binsi Labor and Birth Apparel**.

BINSI®

Changing the look and feel of labor™

Be sure to take your seats before 2:00PM so you don't miss the opening performance by Denver powerhouse Hazel Miller!

Don't miss the recently-added Symposium Reception Non-invasive Prenatal Testing (NIPT): Key Considerations for Women's Health Care Providers

Tower Building, Grand Ballroom 1, Level 2
Thursday, May 15, 6:30-7:30PM

Presenter: Lindsay Fosler, MS, CGC

Sponsored by **illumina®**

Sponsored Event Speakers

Product Theater

Thursday, May 15

Sponsored by **Legally Mine USA**

Presenter: Jeff McNeff,
Executive Director, Legally Mine USA

Breakfast Symposium

Friday, May 16

Sponsored by **Duchesnay USA**

Presenter: Kathryn Harrod, CNM, PhD,
RN, APNP, FACNM

Duchesnay USA is no longer sponsoring the **Exhibit Hall handwriting analysts**. This attraction is now being hosted courtesy of ACNM. Sign up for your appointment at the analyst's table next to the Town Square/Internet Lounge in the Exhibit Hall. You no longer need to pick up an appointment card at the Duchesnay USA booth.

NEW EXHIBITORS

Fridababy

Booth #: 508
Contact: Sarah Perilli
E-mail: nosefrida@gmail.com
Phone: 305-673-7535
Web site: www.fridababy.com

Fridababy specializes in baby products you actually need! Our products are for the important stuff—you know, like breathing. Instead of using harsh chemicals to relieve your baby from discomfort, we opt for more natural solutions. Our product Nosefrida is a non-invasive, more effective nasal aspirator for babies. Our other product, the Windi, is a medicine-free and instant solution to gas and colic.

Infinite Trading

Booth #: 519
Contact: Lourdes Nims
Address: 3651 Lindell Rd, Suite D120
Las Vegas, NV 89103
