

# Midwifery & Women's Health

A NEW UNDERSTANDING OF MIDWIFERY CARE FROM OUR MOMENT OF TRUTH™

Welcome to the Midwifery & Women's Health eBlast via **Our Moment of Truth**. Every month, you will receive an update on important women's health initiatives along with information and resources to share with consumers.

November is **American Diabetes Awareness Month!** During this Thanksgiving season, help us to raise awareness of a public health crisis affecting over 29 million people.

## American Diabetes Awareness Month

#ThisIsDiabetes is an **American Diabetes Association** campaign to showcase real-life stories of friends, families and neighbors managing the day-to-day triumphs and challenges of the disease.

Join the conversation to raise awareness and to create a sense of urgency about this growing public health crisis affecting 29 million Americans.

**Share the following information & resources via email, newsletter, or social media and help us spread the word about how midwives make a difference in women's health!**

# World Prematurity Day

## November 17th

The complications of preterm birth outrank all other causes as the world's #1 killer of young children.

Help put an end to premature birth by rallying your followers to support **World Prematurity Day**.

Join the **March of Dimes** Thunderclap and help raise awareness on November 17th.

**Thunderclap** is a tool that lets a message be heard when you and your friends say it together. Think of it as an "online flash mob" that will automatically post a message of awareness on your behalf via Facebook, Twitter or Tumblr.
