

## **BlueCross BlueShield Service Coverage Denials**

ACNM national office has received a number of contacts from midwives who are improperly being denied reimbursement by BlueCross BlueShield and Federal BlueCross BlueShield. In an effort to more quickly resolve this issue, we are asking midwives across the country to contact the national office and share your experiences with us. We would like to know where you are located, the exact nature of the denial, how you have tried to resolve it and who you have contacted at the insurer. If you have been successful, we would appreciate that information as well. Please email information on your experiences to [mgreenfield@acnm.org](mailto:mgreenfield@acnm.org). Thank you.
