An independent 501(c)(3) nonprofit charitable organization | EIN: 13-6227462

The A.C.N.M. Foundation is pleased to announce that in mid-2022, our longstanding IRS status as a 501(c)(3) was upgraded from Supporting Organization to full Public Charity status due to our growth in external donors and expanded support for individual midwives, students, and other midwifery-related activities. Thank you for your support! Please visit us at **Booth 311** in the Exhibit Hall to learn more about the Foundation's plans for the future.

The mission of the Foundation is to **promote excellent health outcomes for all people and communities through the support of midwifery**. Nearly \$75,000 in scholarships and awards have been given by the Foundation since the Fall of 2022. Join us in congratulating the following recent recipients.
